Notes:

- Only projects with agreements executed after June 19, 2009 may have any qualified investment between the time of application approval and Jan. 1 of subsequent tax year.
- Jobs meeting all of the requirements of Tax Code §313.021(3). Each qualifying job is a new job that meets the wage standard for that school district, and is covered by a group health benefits plan for which the employer offers to pay at least 80 percent of the employee-only premium. Do not include construction jobs in counts of qualifying jobs.
- For new job definition see TAC §9.1051(14).
- Total investment is all investment at original cost, including land acquired after filing of application. Investments made in one year should be reflected in the subsequent year's market value.
- The investment made during the qualifying time period meeting the requirements of Tax Code §313.021(1). Fill in amounts for the time between the application approval and Jan. 1 of first tax year, Year 1 and Year 2 only. (See also Note #1).
- For all values, use those from CAD as available. For future years, use market value that the entity estimates will approximate the market value for ad valorem tax purposes in that year.
- This amount may vary annually for agreements with multiple agreement-holders. Subentities should enter their share of original limitation amount. Limitation amounts of all subentities should sum to that of the original limitation amount originally approved by the school district.

By signing below, I, Mark Ostrowski, certify that I am the authorized representative of Toyota Motor Manufacturing, Texas, Inc., a current agreement holder of a limitation on appraised value, and the contents of this form and the attached documentation are true and correct to the best of my knowledge and belief.
